WEBINAR- AMERICANS WITH DISABILITIES ACT: CHALLENGES IN THE REASONABLE ACCOMMODATIONS PROCESS

Webinar | 06.20.2018

A webinar presented by [Rosemary Kenyon](#) and [Patrick Lawler](#)

Employees are asking for **reasonable accommodations** more often and for a **wider array of medical conditions**, including chronic diseases, mental health issues and prescription drugs that may affect performance. Accommodation requests that arise during the **performance management process** present unique challenges to employers.

This webinar will help HR professionals make sense of the tangled web, and will provide practical tips on successfully handling requests for reasonable accommodations.

[Presentation slides are now available for download \(PDF\)](#)

A recording of the live webinar is also available for viewing below. If you are having trouble viewing the video, it is also available on [vimeo](#).
