SMITH ANDERSON LAWYERS PRESENT CPE SERIES TITLED “IT’S 2014: YOU WILL BE HACKED”

10.03.2014

Raleigh, N.C. – On September 24, 2014, Smith Anderson attorneys **Alicia Gilleskie**, **Jackson Moore** and **Christopher Smith**, along with Ryan Johnson, Director with Alvarez and Marsal’s Global Forensic and Dispute Services practice, partnered with Vaco Raleigh, LLC, an executive placement and consulting firm, to present a CPE panel discussion titled, “It’s 2014: You Will Be Hacked.” The event welcomed Research Triangle area executives at the Paragon Commercial Bank building in Raleigh, N.C. for a discussion of best practices for preparing and responding to data breach scenarios, including:

- Real world data mishap scenarios and an overview of the regulatory and legal framework governing data in business and related response obligations;
- Common dispute scenarios that result from data mishaps, including potential regulatory actions and litigation, and considerations around the evolving landscape of cyber insurance; and
- How a business can create a culture that protects itself from data incidents.

About Smith Anderson’s Data Use, Privacy and Security Practice

Lawyers in our Data Use, Privacy and Security practice use a multi-disciplinary approach to provide tailored and strategic data counsel for businesses in a variety of industries. Our experience merges regulatory compliance, technology law and licensing, commercial contracting and dispute management, enabling us to advise clients on a broad range of issues dealing with data management and commercialization.
