### SMITH ANDERSON'S 2015 CLOSED BUSINESS TRANSACTIONS AT A GLANCE

03.11.2016

Since January 2015, Smith Anderson has advised clients in **more than 300 transactions representing approximately \$11 billion in value**, including mergers, acquisitions and divestitures; real estate development and construction; life sciences and health care; technology and intellectual property; debt finance; private equity and mezzanine finance; initial public offerings; growth companies and venture capital; and fund formation. The following provides a comprehensive overview of some of our clients' key closed business transactions in 2015. Highlights include:

- Over 60 mergers, acquisitions and securities offerings totaling approximately \$4 billion, including the first qualified offering under new Regulation A for Groundfloor Finance, the first multi-state real estate peer-to-peer micro-lending platform for non-accredited investors.
- Over 60 life sciences and health care transactions and 40 information and materials technology transactions totaling in excess of \$4 billion, including Quintiles/Quest global joint venture in the creation of Q2 Solutions with initial annual revenues of nearly \$600 million.
- Over 100 real estate and construction matters totaling in excess of \$2 billion, including the expansions at North Hills by Kane Realty Corporation.
- Over 80 senior and mezzanine debt financing transactions totaling in excess of \$4 billion.
- **2016 SPOTLIGHT DEAL:** Lead counsel in a worldwide immuno-oncology partnership worth up to \$1.6 billion for genome editing company Precision BioSciences.

Our firm is fortunate to have worked on a wide array of transactions with a diverse group of clients. [CLICK HERE](#) to expand the image below, which lists some of our clients and their business transactions completed in 2015.
