2018 is the first year IFLR included state-specific rankings. According to IFLR, the IFLR1000 is the guide to the world's leading financial and corporate law firms and lawyers. The first rankings were published in 1990 and the guide currently covers over 120 jurisdictions worldwide. Rankings are based on three key criteria: transactional evidence, peer feedback and client feedback. The IFLR1000 rankings are a reflection of a firm's long-term track record in the market.
