Law 360

Smith Anderson is the 271st largest law firm in the United States, up 25 spots over 2022, according to the **latest rankings** from the *Law360* 400.

Law360 reports that the country's 400 largest law firms saw continued growth in 2022, outpacing 2021's headcount additions, with surges in hiring among midsize firms accounting for a meaningful portion of the increases. The *Law360* 400 list features the largest U.S.-based law firms and international firms with a U.S. component as measured by domestic attorney headcount as of December 31, 2022, when Smith Anderson had 160 attorneys based in Raleigh.

Even though economic clouds began to gather during the second half of the year, 2022 was still a big one for law firm headcount growth, with the 400 largest law firms in the country as a group increasing their headcounts by an average of 3.9 percent, compared to an increase of 3.7 percent in 2021, *Law360* says.
