### ETRENDS - E-VERIFY REMINDER

06.28.2013

As we have reminded employers, more North Carolina employers are now required to use the federal E-Verify program to determine whether new hires are authorized to work in the United States. Employers with 500 or more employees were required to be in compliance with North Carolina's E-Verify law by October 1, 2012. Employers with 100 or more employees were required to be in compliance by January 1, 2013. **Employers with 25 or more employees must be in compliance by July 1, 2013.** Private employers with 24 or fewer employees are not required to use E-Verify.
